

Pentecost, which means “fifty,” is the birthday of the Christian Church, occurring fifty days after Passover and the Resurrection of Jesus.

Passover is held in March or April. Fifty days after the Passover, the Jewish people celebrate the Feast of Weeks, which occurs at the end of the grain harvest (Deuteronomy 16:9-16). This celebration is also called Pentecost. Jewish people celebrate Pentecost, or the Feast of Weeks, so they can thank God for the gift of harvested grain crops. The Feast of Weeks also commemorates the giving of the Ten Commandments.

After Jesus rose from the dead, He spent time with His disciples. Forty days after His resurrection, as He was preparing to be received into heaven, He told His followers to wait in Jerusalem for the promise (Acts 1:8). Those disciples (about 120) waited for ten days. Then, all the devout Jewish people who gathered to celebrate the Feast of Weeks saw a marvelous revelation of God’s power! That year during the festival, God poured out the Holy Spirit on each of the 120 people who obeyed Jesus and waited on His promise. The New Testament church was born!
