Happy Grandparents Day!!!- It is always the first Sunday after Labor Day- National Grandparents Day was signed as a proclamation by President Jimmy Carter on August 3, 1978. The founder for this day is attributed to Marian McQuade, a housewife in West Virginia. She spent years educating people about how important senior citizens are and the contributions they make to society. Thanks to God for the wonderful grandparents that attend church and bring their grandchildren too. ***You are loved!***
